**REPORT ON THE REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE SHAREHOLDERS OF PHNOM PENH WATER SUPPLY AUTHORITY
(Incorporated in Cambodia)
(Registration No: Co.0839 Et/2012)**

Introduction

We have reviewed the accompanying condensed statement of financial position of Phnom Penh Water Supply Authority (“PPWSA”) as at 31 March 2018, and the related condensed statements of profit or loss and other comprehensive income, changes in equity and cash flows for the three-month period then ended, and condensed notes to the interim financial information (collectively known as “Condensed Interim Financial Information”). The Directors of the PPWSA are responsible for the preparation of and presentation of the Condensed Interim Financial Information. Our responsibility is to express a conclusion on this Condensed Interim Financial Information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Cambodian International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Condensed Interim Financial Information of the PPWSA are not presented fairly, in all material respects, in accordance with Cambodian International Accounting Standard 34 *Interim Financial Reporting*.

**NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION
31 MARCH 2018**

1. CORPORATE INFORMATION

The Phnom Penh Water Supply Authority (“PPWSA”) is under the technical supervision of the Ministry of Industry and Handicraft (“MIH”) and the financial supervision of the Ministry of the Economy and Finance (“MoEF”), and has its headquarter in Phnom Penh. The PPWSA is acknowledged as having the economic characteristics of a public enterprise by the Ministry of Commerce under the registration number jnr Co.0839 Et/2012, dated 27 March 2012.

The registered office of the PPWSA is Office 45, Street 106, Sangkat Srah Chork, Khan Daun Penh, Phnom Penh, the Kingdom of Cambodia.

This condensed interim financial information are presented in Khmer Riel (“KHR”), which is also the functional currency of the PPWSA.

The condensed interim financial information was authorised for issue by the Board of the Directors on 8 May 2018.

2. PRINCIPAL ACTIVITIES

The principal activities of the PPWSA are to process and distribute water for general use by the public in the city of Phnom Penh. The objectives of the PPWSA are to:

- Invest in, build, enlarge, operate, repair and maintain the means of water sanitation and distribution;
- Manage devices to increase water productions, and improve services and water quality to meet demand;
- Operate the business, services and related duties for water supply in accordance with the Board of Director’s resolutions and the laws of Cambodia;
- Cooperate with local and external development partners on technology, trade and finance in order to improve and develop the PPWSA in accordance with government policy; and
- Ensure sustainable production processes, business and finance for the public interest.

3. BASIS OF PREPARATION

The interim financial report is unaudited and has been prepared in accordance with Cambodian International Accounting Standard 34 *Interim Financial Reporting*. The interim financial report should be read in conjunction with the audited financial statements for the financial year ended 31 December 2017 and the accompanying explanatory notes attached herein.

The explanatory notes provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the PPWSA since the financial year ended 31 December 2017.

3. BASIS OF PREPARATION (continued)

The accounting policies and methods of computation adopted are consistent with those adopted in the audited financial statements for the financial year ended 31 December 2017 except for the adoption of the following accounting standards, amendments and interpretations:

	Effective Date
Amendments to CIFRS 1 <i>Annual Improvements to IFRS Standards 2014 - 2016 Cycle</i>	1 January 2018
CIFRS 15 <i>Revenue from Contracts with Customers</i>	1 January 2018
Clarification to CIFRS 15	1 January 2018
CIFRS 9 <i>Financial Instruments (issued by IASB in July 2014)</i>	1 January 2018
Amendments to CIFRS 2 <i>Classification and Measurement of Share-based Payment Transactions</i>	1 January 2018
Amendments to CIAS 28 <i>Annual Improvements to CIFRS Standards 2014 - 2016 Cycle</i>	1 January 2018
IC Interpretation 22 <i>Foreign Currency Transactions and Advance Consideration</i>	1 January 2018
Amendments to CIAS 40 <i>Transfers of Investment Property</i>	1 January 2018
Amendments to CIFRS 4 <i>Applying CIFRS 9 Financial Instruments with CIFRS 4 Insurance Contracts</i>	See CIFRS 4 Paragraphs 46 and 48

There is no material impact upon the adoption of the above accounting standards, amendments and interpretations during the financial period.

The following are accounting standards, amendments and interpretations that have been issued but have not been early adopted by the PPWSA:

	Effective Date
CIFRS 16 <i>Leases</i>	1 January 2019
IC Interpretation 23 <i>Uncertainty over Income Tax Treatments</i>	1 January 2019
Amendments to CIAS 28 <i>Long-term Interests in Associates and Joint Ventures</i>	1 January 2019
Amendments to CIFRS 9 <i>Prepayment Features with Negative Compensation</i>	1 January 2019
CIFRS 17 <i>Insurance Contracts</i>	1 January 2021
Amendments to CIFRS 10 and CIAS 28 <i>Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	Deferred

The PPWSA is in the process of making an assessment of the potential impact from the adoption of these accounting standards, amendments and interpretations hence the Directors are not yet in a position to conclude on the potential impact on the results and the financial position of the Company.

The possible effects from the adoption of the above accounting standards, amendments and interpretations are as follows:

CIFRS 16 Leases

CIFRS 16, which upon the effective date will supersede CIAS 17 *Leases* and related interpretations introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more 12 months, unless the underlying asset is of low value. Specifically, under CIFRS 16, a lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments.

3. BASIS OF PREPARATION (continued)

The possible effects from the adoption of the above accounting standards, amendments and interpretations are as follows: (continued)

CIFRS 16 Leases (continued)

Accordingly, a lessee should recognise depreciation of the right-of-use asset and interest on the lease liability, and also classifies cash repayments of the lease liability into a principal portion and an interest portion and presents them in the statement of cash flows. Also, the right-of-use asset and the lease liability are initially measured on a present value basis. The measurement includes non-cancellable lease payments and also includes payments to be made in optional periods if the lessee is reasonably certain to exercise an option to extend the lease, or to exercise an option to terminate the lease. This accounting treatment is significantly different from the lessee accounting for leases that are classified as operating leases under the predecessor standard, CIAS 17.

In respect of the lessor accounting, CIFRS 16 substantially carries forward the lessor accounting requirements in CIAS 17. Accordingly, a lessor continues to classify its leases as operating leases or finance leases, and to account for those two types of leases differently.

IC Interpretation 23 Uncertainty over Income Tax Treatments

The Interpretation supports the requirements of CIAS 12 *Income Taxes* by providing guidance over how to reflect the effects of uncertainty in accounting for income taxes.

Under the Interpretation, the entity shall determine whether to consider each uncertain tax treatment separately or together based on which approach better predicts the resolution of the uncertainty. The entity shall also assume the tax authority will examine amounts that it has a right to examine and have full knowledge of all related information when making those examinations. If the entity determines it is probable that the tax authority will accept an uncertain tax treatment, then the entity should measure current and deferred tax in line with its tax filings. If the entity determines it is not probable, then the uncertainty in the determination of tax is reflected using either the “most likely amount” or the “expected value” approach, whichever better predicts the resolution of the uncertainty.

Amendments to CIAS 28 Long-term Interests in Associates and Joint Ventures

The amendments clarify that the companies account for long-term interests in an associate or joint venture, to which equity method is not applied, using CIFRS 9.

Amendments to CIFRS 9 Prepayment Features with Negative Compensation

The amendments clarify that prepayable financial assets with negative compensation can be measured at amortised cost or at fair value through other comprehensive income if specified conditions are met – instead of at fair value through profit or loss.

CIFRS 17 Insurance Contracts

CIFRS 17 replaces CIFRS 4 and requires a current measurement model where estimates are re-measured each reporting period.

3. BASIS OF PREPARATION (continued)

The possible effects from the adoption of the above accounting standards, amendments and interpretations are as follows: (continued)

CIFRS 17 Insurance Contracts (continued)

Contracts are measured using the building blocks of:

- discounted probability-weighted cash flows
- an explicit risk adjustment, and
- a contractual service margin (“CSM”) representing the unearned profit of the contract which is recognised as revenue over the coverage period.

The standard allows a choice between recognising changes in discount rates either in the income statement or directly in other comprehensive income. The choice is likely to reflect how insurers account for their financial assets under CIFRS 9.

An optional, simplified premium allocation approach is permitted for the liability for the remaining coverage for short duration contracts, which are often written by non-life insurers.

There is a modification of the general measurement model called the “variable fee approach” for certain contracts written by life insurers where policyholders share in the returns from underlying items. When applying the variable fee approach the entity’s share of the fair value changes of the underlying items is included in the contractual service margin. The results of insurers using this model are therefore likely to be less volatile than under the general model.

The new rules will affect the financial statements and key performance indicators of all entities that issue insurance contracts or investment contracts with discretionary participation features.

Amendments to CIFRS 10 and CIAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

The amendments clarify the extent of gains or losses to be recognised when an entity sells or contributes assets to its associate or joint venture. When the transaction involves a business the gain or loss is recognised in full, conversely when the transaction involves assets that do not constitute a business the gain or loss is recognised only to the extent of the unrelated investors’ interests in the joint venture or associate.

(a) Interest income represents interest earned from savings and deposit accounts held at local banks during the period.

(b) Interest expense represents the interest charges on the loan obtained from AfD and the subsidiary loans obtained from the MoEF, which are funded through loans obtained from the ADB and JICA.

13. TAX EXPENSE

Under the Cambodian Law on Taxation, the Company has an obligation to pay tax on profit at 20% (2017: 20%) of the taxable profit or a minimum tax at 1% (2017: 1%) of total revenue, whichever is higher. It represents the minimum amount of tax that the Company will pay to tax authorities. The Company has a tax on profit liability that exceeds the minimum tax liability, thus, no minimum tax will be payable. Tax is payable even if the Company is in a tax loss position.

14. EARNINGS PER SHARE

(a) Basic earnings per share

Basic earnings per share are calculated by dividing the profit attributable to equity holders of the PPWSA by the weighted average number of ordinary shares in issue during the period.

	Unaudited	
	Three-month period ended	
	31.3.2018	31.3.2017
Profit attributable to equity holders (KHR'000)	7,854,231	11,335,648

Basic earnings per share (KHR)	<u>90.31</u>	<u>130.34</u>

14. EARNINGS PER SHARE (continued)

(b) Diluted earnings per share

Diluted earnings per share are calculated by adjusting the weighted average number of ordinary shares outstanding to assume conversion of all dilutive potential ordinary shares.

The PPWSA had no dilutive potential ordinary shares as at the period end. As such, the diluted earnings per share were equivalent to the basic earnings per share.

15. RELATED PARTY TRANSACTIONS

(a) The PPWSA had the following transactions with related parties during the financial period.

16. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The financial risk management objective of the PPWSA is to optimise value creation for its shareholders whilst minimising the potential adverse impact arising from volatility of the financial markets.

The Directors are responsible for setting the objectives and underlying principles of financial risk management for the PPWSA. The management then establishes the detailed policies such as authority levels, oversight responsibilities, risk identification and measurement and exposure limits in accordance with the objectives and underlying principles approved by the Directors.

(a) Credit risk

Credit risk is the risk of financial loss to the PPWSA if a counter party to a financial instrument fails to perform as contracted. The PPWSA is mainly exposed to credit risk from credit sales. It is the PPWSA policy to monitor the financial standing of these counter parties on an ongoing basis to ensure that the PPWSA is exposed to minimal credit risk.

The PPWSA's primary exposure to credit risk arises through its trade receivables from its customers. The credit period is one months and the PPWSA seeks to maintain strict control over its outstanding receivables to minimise credit risk. Overdue balances are reviewed regularly by management.

16. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

(b) Liquidity and cash flow risk

Liquidity and cash flow risk arises from the PPWSA's management of working capital. It is the risk that the PPWSA will encounter difficulty in meeting its financial obligations when due.

The PPWSA actively manages its debt maturity profile, operating cash flows and the availability of funding so as to ensure that all operating, investing and financing needs are met. In liquidity risk management strategy, the PPWSA maintains a level of cash and cash equivalents deemed adequate to finance the PPWSA's activities.

(c) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the financial instruments of the PPWSA would fluctuate because of changes in market interest rates.

The exposure of the PPWSA to interest rate risk arises primarily from borrowings. The PPWSA manages its interest rate exposure by closely monitoring the debt market and where necessary, maintaining a prudent mix of fixed and floating rate borrowings. The PPWSA does not use derivative financial instruments to hedge any debt obligations.

17. CAPITAL COMMITMENTS

At the end of the current financial quarter, the PPWSA has commitment on capital expenditure in respect of:
