PRESS RELEASE

**on the Extension of Releasing the Fourth Quarter Report for FY2019 of
Phnom Penh Water Supply Authority**

Phnom Penh Water Supply Authority ("PPWSA") would like to announce that the Fourth Quarter Report for FY2019 shall be released to the Securities and Exchange Commission of Cambodia ("SECC") not later than February 14th, 2020 will be extended to **February 24th, 2020**. This extension is due to the delay of releasing the Management Accounts to BDO (Cambodia) Limited, who is the independent auditor of PPWSA. The delay of releasing the Management Accounts was caused by:

- (1) The change of new water tariff structure at year end leads to the preparation of reports and other related documents are slightly delayed.
- (2) The record of accrual revenues in connection with the estimated water bills at year end.

In this regard, the condensed interim financial information for the twelve-month period ended December 31, 2019 reviewed by the independent auditor is also delayed. Since the absence of such this important financial information from the Fourth Quarter Report for FY2019; hence, the release of the PPWSA's Fourth Quarter Report for FY 2019 will be extended, accordingly.
